Privacy Policy

Integral Vision Kft. (registered seat: 1065 Budapest, Bajcsy-Zsilinszky út 51, 28; VAT number: HU14875667; website: www.integralvision.eu; email: hello@integralvision.eu; hereinafter referred to as: Integral Vision Kft., the “Company” or the “Data Controller”), as the controller of certain personal data, acknowledges the content of this legal notice as binding upon itself.

The purpose of this Notice is to provide appropriate information regarding the processing of personal data. It contains the data protection and data management principles applied by Integral Vision Kft., as well as the Company’s policies and procedures.

Clients, contractual partners, visitors of the Company’s website, and all other data subjects may obtain information through this Notice about the processing of their personal data. The primary objective is to inform individuals whose data processing is based on voluntary consent about their rights and possibilities vis-à-vis the Data Controller.

Integral Vision Kft. undertakes that all personal data processing carried out during its activities complies with the requirements set out in this Notice and in the applicable legislation.

Accordingly, the Company’s Data Protection Policy and its internal policies regarding data processing principles and purposes aim to comply with Regulation (EU) 2016/679 (GDPR) and Act CXII of 2011 on Informational Self-Determination and Freedom of Information.

The Company is committed to protecting the personal data of its clients, partners, and employees, and considers the respect of informational self-determination to be of utmost importance. As a data controller and processor, it handles personal data confidentially and implements all necessary technical and organizational measures to ensure data security.

A key principle is that personal data processed or handled by the Company is used lawfully and for specific purposes, solely for fulfilling legal obligations and providing IT and infocommunication services, and is not used for any other purposes or disclosed to unauthorized persons.

Definitions

For the purposes of this Notice:

- **“personal data”**: any information relating to an identified or identifiable natural person
- **“data processing”**: any operation performed on personal data
- **“data controller”**: the entity determining purposes and means of processing
- **“data processor”**: entity processing data on behalf of the controller
- **“data subject”**: identified or identifiable natural person
- **“third party”**: any party other than the above
- **“recipient”**: entity to whom data is disclosed
- **“restriction of processing”**: marking stored data for future limitation

Company name: Integral Vision Ltd
Registry no: 01-09-924079
VAT no: HU14875667
Address: 1065 Budapest, Bajcsy-Zsilinszky út 51, 28

- **“consent”**: freely given, specific, informed and unambiguous indication of wishes
- **“data breach”**: breach of security leading to accidental or unlawful destruction, loss, alteration, or unauthorized access

Scope, purpose, legal basis and duration of processing

Data processing is based on:

- consent
- contractual obligation
- legal obligation
- legitimate interest

At the time of data collection, the Company provides the data subject with information including:

- identity and contact details of the Data Controller
- purpose and legal basis of processing
- categories of data (if not collected directly)
- recipients of data

Additional information includes:

- retention period
- rights of access, rectification, erasure, restriction, objection and portability
- right to withdraw consent
- right to lodge a complaint
- whether providing data is mandatory and consequences of failure

Data collection methods

The Company processes data based on its own decisions where necessary.

This Notice does not cover employee data processing separately.

Website operation and cookies

The Company’s website: <https://www.integralvision.eu>
